

You are invited to attend the National Institute of Governmental Purchasing (NIGP) Follow Up Discussions

Purpose of the Meeting

The NIGP issued a report in May 2011 identifying many opportunities for improvement in the Sarasota County Government procurement practices. A meeting was held in October 2011 with vendors and interested citizens to gather input on prioritizing improvements. This follow up discussion will provide status on the priority improvements identified in the October 2011 meeting and other improvements currently underway. Please join us in this important discussion.
