The Sarasota County Local Mitigation Strategy Work Group Project List

Note 1

Priority- Priority ranking is determined by the Hazard Mitigation Project Evaluation Criteria Worksheet. The project priority is rated in the following table.

Priority	Project Score
High	21 - 28
Medium	11 - 20
Low	0 - 10
N/A	Deferred or Completed

Note 2

Hazard	Number	Hazard	Number
Coastal Erosion	1	Hurricane	9
Coastal Storm	2	Land Subsidence	10
Dam Failure	3	Seasonal Severe Weather	11
Drought	4	Tornado	12
Earthquake	5	Tsunami	13
Levee Failure	6	Wildfire	14
Flood	7	Windstorm	15
Hailstorm	8	Deleted Project	N/A

Note 3

The Hazard Mitigation Strategy is based upon Goal 2, Objective 1 of the Local Hazard Mitigation Goals and is described in the following table.

Hazard Mitigated	Description
1	Acquisition of hazard prone property & conversion to open space
2	Retrofitting existing buildings and facilities
3	Elevation of flood prone structures
4	Vegetative management & soil stabilization
5	Infrastructure protection measures
6	Stormwater management
7	Minor structural flood control projects
8	Post-disaster code enforcement activities

Note 4

The Mitigation Goals Achieved are described in the following table and are based upon Goal 2 and Goal 4 of the Local Hazard Mitigation Goals within the Mitigation Strategy section of the basic plan.

Mitigation Goal Achieved	Description
1	Prevention
2	Property Protection
3	Public Education and Awareness
4	Natural Resource Protection
5	Structural Protection
N/A	Deleted

Note 5

The jurisdiction abbreviation is described in the following table.

Jurisdiction	Abbreviation	Number
City of North Port	NP	1
City of Sarasota	SRQ	2
City of Venice	V	3
Sarasota County Government	SCG	4
Sarasota County Schools	SCS	5
Sarasota Memorial Hospital	SMH	6
Town of Longboat Key	LBK	7
American Red Cross	ARC	8
Englewood Fire District	EFD	9
Deleted	N/A	N/A

Note 6

The project status is described in the following table.

Project Status	Description
New	Project added from previous project list submission
Complete	Project completed during period or construction has begun from previous project list submission
In-Progress	Project is in design and no construction has begun
Deleted	Project will be identified as deleted and remain on the project list for one annual cycle of reporting for administrative continuity of project tracking for local, state, and Federal agencies.
Deferred	Project is being deferred by jurisdiction
