

**PROJECT UNIT FEASIBILITY PETITION
FOR WATERWAYS MAINTENANCE**

Project Unit Waterway: _____

Total Number of Abutting Parcels: _____

THIS PROJECT UNIT FEASIBILITY PETITION is prepared pursuant to Sarasota County Resolution No. 2003-100, establishing a public-initiated petition process for the creation of Waterways Maintenance Project Units as non-ad valorem assessment districts.

The undersigned, record owners of taxable property that abuts or lies adjacent to the above-referenced Project Unit Waterway ("Abutting Parcels"), do hereby request that Sarasota County staff conduct a feasibility study and prepare a cost estimate for an initial waterway maintenance project within the above-referenced Project Unit Waterway. The undersigned understand that the above feasibility study and cost estimate will be undertaken by County staff only upon receipt of this petition signed by record property owners of at least 2/3s (67%) of the Abutting Parcels to the above-referenced Project Unit Waterway. ONLY ONE SIGNATURE PER PARCEL IS REQUIRED.

The undersigned further understand that, upon completion of the study, neither the County nor the undersigned is under any obligation to pursue the maintenance project. In order to pursue the project, a Project Unit Approval Petition must be signed by property owners of at least 2/3s (67%) of the Abutting Parcels to the above-referenced Project Unit Waterway and submitted to the Waterways Program Manager, who will submit the petition to the Board of County Commissioners for its consideration. If the Board grants the request, ALL Abutting Parcels to the above-referenced Project Unit Waterway will be assessed all costs associated with the waterways maintenance project for the above-referenced Project Unit Waterway, including the cost of the feasibility study and the cost estimate.
