South Siesta Key Beach maintenance scheduled for Jan. 22-23

Sarasota County staff will be tilling portions of the newly restored South Siesta Key Beach, including Turtle Beach, on Tuesday and Wednesday, Jan. 22-23. The work is part of ongoing maintenance of the new beach to create softer sand for turtles to nest and smooth out the beach contours.

For safety, public beach visitors and nearby residents are asked to avoid tilling machinery as it moves up and down the beach. For more information, contact the Sarasota County Call Center at 941-861-5000 and ask for the South Siesta Key Beach Restoration project.
