## It's spic and span time for Proctor community

It's time to empty the closets and garage, clean off the lanai and gather up the stray brush that hasn't made it down to the curb for pickup. Sarasota County will hold its annual community cleanup day for the Proctor Road community from 8 a.m.-2:30 p.m. Saturday, May 10. Dumpsters provided by Waste Management will be available at two locations to receive materials from residents.

The locations are:

- Beneva Road and Proctor Road (Sarasota County Technical Institute west parking lot)
- Wilkinson Road and Lockwood Ridge Road (Bee Ridge Park)

Residents can dispose of most appliances, household items, scrap materials, unbundled yard waste and other materials during this free event. Paint, pesticides, auto parts, televisions, computers and other hazardous materials cannot be accepted.

Sarasota County employees will be available at each site to offer assistance.

For more information, contact the Sarasota County Call Center at 941-861-5000 and ask about the Proctor Road community cleanup.
