## **Commissioners proclaim June 2-6 as Code Enforcement Officers Appreciation Week**

Sarasota County Commissioners have declared this week as Code Enforcement Officers Appreciation Week in honor of the public officials responsible for maintaining the health, safety and welfare of Sarasota County residents.

Code enforcement officers in Sarasota County enforce the building, zoning, housing, animal control, fire safety and environmental codes and ordinances for the county. The officers save lives and help improve neighborhoods by seeking compliance with the codes and ordinances.

“These are dedicated, well-trained and highly responsible people who take their jobs seriously and are proud of their department and Sarasota County,” said Sandra Jones, the county’s code enforcement manager.

Each year, the Florida Association of Code Enforcement designates the first week of June to recognize the work of local code enforcement officers.
