Neighborhood Grant class scheduled for North Port

Sarasota County residents have the opportunity to improve their neighborhoods with funding that can help bring their ideas to life. The Sarasota County Neighborhood Grant program makes up to \$12,000 available for each neighborhood during a grant cycle. All it takes to put that resource to work is attendance at a two-hour workshop to learn the application process.

Representatives of the Neighborhood Grant program will conduct a workshop from 9:30-11:30 a.m. Saturday, July 12, at the North Port Public Library, 13800 S. Tamiami Trail, North Port. Attendance at a workshop is a prerequisite to apply for the grant program. Space is limited and reservations are required. To see the schedule of grant orientation workshop classes go to the county's Web site at www.scgov.net and navigate to neighborhood grants using the County A-Z link.

The workshop is open to representatives of any neighborhood associations, homeowner associations and informal groups of neighbors who wish to use the matching grant program to fulfill needs in their communities that preserve character and value, enhance safety, build neighborhood leadership, promote healthy lifestyles or improve the environment.

Neighborhood groups can match the county grant funds with cash, volunteer hours, direct donations by neighbors, other grant sources or by donations of materials and services. The county has \$100,000 available for this grant cycle.

The deadline to apply for funding during the current grant cycle is Aug. 18, 2008.

For more information, call the Sarasota County Call Center at 941-861-5000 and ask about the Neighborhood Grant program.
