Public invited to attend logic and accuracy testing

~Supervisor of elections to test voting equipment for November 4, 2008 Election~

(SARASOTA, FL) - Supervisor of Elections Kathy Dent invites the public to observe the logic and accuracy testing of the county's voting and tabulating equipment to be used in the precincts and to tabulate absentee ballots for the November 4, 2008 General Elections.

The testing is scheduled for Monday, October 27, 2008, at 8 a.m. at the office of the supervisor of elections in the Terrace Building, 2001 Adams Lane, Sarasota, Florida.

Florida law requires the supervisor of elections to conduct a public test of the county's automatic tabulation equipment and reporting software prior to each election to ensure it is operating and recording accurately. Logic and accuracy testing is performed on a random sampling of all the tabulating equipment that will be fielded on election day.
