Construction to begin Monday on Wilkinson Road sidewalks

Preliminary work for construction of sidewalks along both sides of Wilkinson Road from Sawyer Road to McIntosh Road will start Monday, April 6. The project is part of the county's economic stimulus program to fast-track, capital improvement projects.

The \$280,420 project will provide about 5,200 feet of 5-foot-wide sidewalk that will connect with existing sidewalk at the intersections of Sawyer Loop Road and McIntosh Road. Work also includes stormwater and drainage structure improvements, grading and sod, concrete curbs and crosswalks.

EHC Inc. of Naples, Fla., is the contractor. The project is expected to be completed in July. Funding will be provided by the penny surtax (1-cent sales tax).
