Small section of Prestancia Boulevard closed for emergency repairs

Prestancia Boulevard at the intersection of Calle Serena was closed this afternoon for major emergency repairs to the sanitary sewer collection system in that area. A section of roadway was undermined at that intersection Friday during sewer system rehabilitation work.

The closure is expected to last three or four days. Traffic from the villas off Calle Serena and north of the intersection will use the north entrance and exit off Palmer Ranch Parkway.

Three streets that use the Sarasota Square Boulevard entrance off Prestancia Boulevard are not affected by the emergency work. They are Camino Madera, Boca Pointe Drive and both entrances of Villa Fiore.

The county will restore landscaping, roadways and curbs as a result of the repair work.

For more information, contact the Sarasota Call Center at 941-861-5000.
