Proctor community cleanup will be held May 8

It's time to clean out the house and garage and collect yard waste. Sarasota County will hold its annual community cleanup in the Proctor area from 8 a.m.-3 p.m. Saturday, May 8. Dumpsters will be provided by Waste Management and will be available at two Sarasota locations to receive materials from residents.

The locations are:

- Bee Ridge Park, 4430 St. Lockwood Ridge Road
- Sarasota County Technical Institute, 4748 Beneva Road

Residents can dispose of most appliances, household items, scrap materials, unbundled yard waste, tires on or off the rim and other materials during this free event. Paint, pesticides, auto parts, televisions, computers and other hazardous materials cannot be accepted.

Sarasota County employees will be available at each site to offer assistance.

For more information, contact the Sarasota County Call Center at 941-861-5000 and ask about the Proctor community cleanup.
