Work begins on boardwalk near Alligator Creek

Construction has begun to replace about 300 feet of boardwalk near Alligator Creek, east of Venice East Boulevard and south of Indian Hills Boulevard in Venice.

The boardwalk will be closed to pedestrians during construction, which is expected to take about three months.

The contractor is Marine Contracting Group Inc. of Punta Gorda. As part of the Sarasota County Economic Stimulus Program of fast-track, capital-improvement projects, the \$207,000 project will be funded by the voter-approved penny surtax (1-cent sales tax).
