Englewood community cleanup to be held March 3

It's time to clean out the garage and gather up yard waste, tree trimmings and discarded household items. Sarasota County will hold its annual free community cleanup in the Englewood area from 8 a.m.-3 p.m. Saturday, March 3. The community cleanup is for residential customers only.

Dumpsters will be provided by Waste Management at three locations:

- Southwest corner of intersection at Dearborn Street and McCall Road
- Northeast corner of intersection at Green and Orange streets
- Buchan Airport at 1390 Old Englewood Road

At all three sites, residents can dispose of most appliances, household items, scrap materials, unbundled yard waste and other garbage or refuse. Sarasota County employees will be available at each site to offer assistance.

The only Englewood site accepting hazardous waste such as paint, pesticides, auto parts, electronic devices, televisions and computers is the Dearborn Street and McCall Road location.

For more information, contact the Sarasota County Call Center at 941-861-5000 and ask about the Englewood community cleanup.
