

CYCLOVIA **VENICE**

Come play on the Avenue!

Sunday, March 11, 2012 10 am – 1 pm

Cyclovia Venice is a community-wide event promoting physical activity, healthy lifestyles and the connectivity of our trails, parks, beaches and streets.

In 2011, more than 1,300 people enjoyed a non-motorized “open street,” vendors, free physical activities, the opportunity to meet their neighbors and learn about all the community has to offer.

Join us again!

The best healthcare under the sun.

Cyclovia Venice will promote healthy, active living through a series of free events opening the city's largest public space - its streets - to walk, bike, roll and discover active transportation • Cyclovia Venice will foster civic pride, stimulate economic development and represent cross-sector interests in Venice's vitality and livability

- *Cyclovia Venice occurs three times per year; Twice in Historic, downtown Venice and once on the Legacy Trail/Venetian Waterway Park*
- *The event is free and open to the entire community.*

Sponsorship Commitment

Dozens of people volunteer time with Cyclovia because of their commitment to a healthier community. Your business can become involved, too, and support all of Venice and everyone who lives here.
