

## 2011 Cost Sharing Comparisons- Sarasota County Government vs. Large Organizations

### *A Focus on Stewardship and Responsibility*

Employees of Sarasota County Government contribute to the cost of health insurance. The employer (taxpayer) contributes 85% of the premium costs for employee-only coverage and 55% for dependant care coverage. Employees contribute the remaining percentage. As a result of 2011 premium reductions, both taxpayer and employee costs have decreased.
