

**Summary Fact Sheet
Modified "Phase II" (Severe Water Shortage) Restrictions**

All Water Uses

- These restrictions go into effect on January 16 and are scheduled to expire on July 31, unless rescinded or otherwise modified prior to that date.
- These restrictions apply to the use of water from public and private water utilities as well as the use of all wells and surface water sources (ponds, rivers, etc.).
- This fact sheet is only a summary. All water users should review Water Shortage Order SWF 07-02 and the District's Water Shortage Plan for complete details; both items are available online (at www.WaterMatters.org).

Lawn & Landscape Watering

- If your city or county already has a once-per-week schedule in effect, your watering day will remain the same.
- If you were previously allowed to follow a twice-per-week schedule, you now need to follow the schedule shown below.
- Unless your city or county already has stricter hours in effect, properties under two acres in size may only water before 8 a.m. or after 6 p.m.
- Unless your city or county already has stricter hours in effect, properties two acres or larger may only water before 10 a.m. or after 4 p.m.
- Variances are available if a property proposes an alternative irrigation plan (such as splitting a large property into two pieces and assigning a different day to each piece).
- Handwatering or microirrigation of non-lawn landscape is allowed.
- Certain limited exemptions are available, such as allowances for new plant material.

Local Governments & Water Utilities

- Assist the District with water shortage restriction enforcement, including coverage for cases referred by the District (when a Water Use Permit is not involved).
- Review the availability of backup water supplies for potable and fire-fighting purposes.
- Institute/accelerate local water conservation efforts, including a water system audit.
- Implement appropriate changes to water system flushing, including on-site signage.

Golf Courses, Agricultural Operations & Other Water Users

- Fountains and other aesthetic-only water features may only operate 8 hours per day.
- Car washing is limited to once per week; however, fundraiser events are still allowed.
- Comply with all Water Use Permit conditions, including allowable drought quantities.
- Reduce off-site discharge and mobile equipment washing.
- Follow applicable best management practices, including watering times and applications.

For complete details or to ask questions about these restrictions, visit the District's website (www.WaterMatters.org) or call 1-800-848-0499 or 1-800-423-1476, extension 4498, during normal business hours.
