| <input type="checkbox"/> Veterinarian Office     | <input type="checkbox"/> Other _____                |  |

## GENERATOR STATUS

- **CESQG (Conditionally Exempt Small Quantity Generator):** A business that generates 100kg/220lbs or less of hazardous waste OR 1kg/2.2lbs or less of an acute hazardous waste in any calendar month.
- **SQG (Small Quantity Generator):** A business that generates more than 100kg/220lbs but less than 1,000kg/2,200lbs of hazardous waste AND no more than 1kg/2.2lbs of acute hazardous waste in any calendar month. SQG's can only use *Project Green Sweep* to dispose of universal or other regulated wastes that are not determined to be hazardous by environmental regulations. An SQG business with waste that is determined to be hazardous must deal directly with a permitted and licensed treatment, storage or disposal company.
- **LQG (Large Quantity Generator):** A business that generates at least 1,000kg/2,200lbs of hazardous waste OR more than 1kg/2.2lbs of acute hazardous waste in any calendar month. LQG's can only use *Project Green Sweep* to dispose of universal or other regulated wastes that are not determined to be hazardous by environmental regulations. An LQG business with waste that is determined to be hazardous must deal directly with a permitted and licensed treatment, storage or disposal company.

### Please select one:

- CESQG     SQG\*     LQG\*

\*SQG and LQG Generators may only dispose of universal and certain regulated wastes under *Project Green Sweep*. They may NOT dispose of hazardous wastes through *Project Green Sweep*.

## WASTE DISPOSAL INFORMATION

Please list each waste you would like to dispose of through *Project Green Sweep*. Include copies of Material Safety Data Sheets (MSDS) if available. SQG and LQG Generators may only dispose of universal and certain regulated wastes under *Project Green Sweep*. They may NOT dispose of hazardous wastes through *Project Green Sweep*.

- **Universal Waste:** Under certain conditions, batteries, pesticides, mercury thermostats and lamps qualify as a universal waste and not as a hazardous waste.
- **Other Regulated Waste:** There are materials that may not qualify as hazardous or universal wastes but are otherwise banned from landfill disposal in Sarasota County. Some of these materials include electronics, oil, oil filters and latex paints.
