Preparing Asbestos for Disposal

Friable Asbestos (any asbestos-containing materials that, when dry, may be crumbled, pulverized or reduced to powder by hand pressure) must be:

- Step 1: Sprayed with water until wet
- Step 2: Double-bagged
- Step 3: Securely closed (tied off)
- Step 4: Labeled
- Step 5: Placed in a covered container

Non-Friable Asbestos (any asbestos-containing materials that remain solid when handled) must be:

- Step 1: Sprayed with water until wet
- Step 2: Placed in a covered container

How to Dispose of Asbestos

- Haulers must complete a Waste Shipment Record form for each load of asbestos brought to the Central County Solid Waste Disposal Complex
 - Form may be accessed online or picked up at the following locations:
 - Sarasota County Air and Water Quality Protection
1001 Sarasota Center Blvd., Sarasota, FL 34240
 - Central County Solid Waste Disposal Complex Administration Office
4000 Knights Trail Road, Nokomis, FL 34275
- Drop-off should be scheduled at least 24 hours in advance by calling 941-861-5000 and asking for the Asbestos Disposal Coordinator
- Asbestos will ONLY be accepted Monday-Friday, 8 a.m.-3 p.m.

Payment

- Payment for disposal rates must be made with cash, credit card (Visa, MasterCard, American Express and Discover) or a debit card with a bank logo
- Business or personal checks are not accepted
