CONSTRUCTION LIEN LAW: The Construction Lien law (Chapter 713, Part I, Florida Statutes) provides a method by which a contractor, subcontractor, laborer, building material supplier, architect, landscape architect, interior designer, engineer or land surveyor may claim a lien on real property on which he/she has done work or to which he/she has furnished materials.

The applicant by signature on this application certifies that he or she will deliver this statement to the person whose property is subject to attachment in accordance with the provisions of F.S. 713. The Right, Title and Interest of the person who has contracted for the improvement may be subject to attachment under the Construction Lien Law.

COUNTY RESPONSIBILITY: Nothing herein shall be deemed to authorize or create a duty on the part of the County and its officers, agents and employees to assure or guarantee construction and work in compliance with County ordinances or the plans and specifications submitted thereunder. County officials administering this permit conduct only spot checks to the best of their ability and within the limitations of the available time and personnel. No expectations based upon permits or approvals issued hereunder should arise that construction and work performed pursuant to said permits or approvals does in fact comply with County ordinances or the plans and specifications submitted thereunder. Any person desiring to assure such compliance should seek the assistance of independent persons qualified to perform such evaluations.

WNCA WORK PERMIT APPLICATIONS: This application may be utilized to file jointly (or separately) for Water and Navigation Control authority (WNCA) permits: **Minor or General** for the construction and repair of docks, bulkheads, boathouses, rock revetments, fishing piers, boat-lifts, davits, and maintenance dredges or **Major** for those proposals that do not qualify for a Minor or General permit (ask for a Major Work Permit application supplement). **Submitted plans shall meet the requirements provided on the WNCA application supplement.**

TRANSMISSION TOWER APPLICATIONS: This application may be utilized to file jointly (or separately) for a Transmission Tower. **Submitted plans shall meet the requirements provided on the Transmission Tower application supplement.**

COMPLIANCE: The owners, authorized agent or contractor certifies that, together with plans and specifications submitted to the Development Services Business Center, Permitting & Inspection Services, this application shows a true representation of the construction to be accomplished under this permit. It is understood that any deviations from the original documents, unless approved by the Planning and Development Services Business Center's Director, will render the permit invalid. The owner(s), authorized agent or contractor further agrees to comply with all Sarasota County laws and codes pertaining to the work and agree at any time to make all changes required by the Planning and Development Services Business Center's Director to conform to County and State ordinances, laws and regulations.

EXPIRATION OF PERMIT: A Building Permit issued pursuant to this application will become invalid after 180 days from the date of issuance if the work is not commenced or is suspended or abandoned, or if more than 180 days elapse between required inspections and no Certificate of Occupancy has been issued. Construction authorized under a **Water and Navigation Control Authority (WNCA) Work Permit** issued pursuant to this application must be commenced within 180 days from the date of issuance and shall be completed within one year from the date of issuance. In the event that authorized work is not commenced or completed within said time periods, reapplication must be made to Development Services Business Center for reauthorization.

EXPIRATION OF PERMIT APPLICATIONS: Section 105.3.2, Florida Building Code – An application for a building permit for any proposed work shall be deemed to have been abandoned 6 months (180 days) after the date of filing for the permit, unless before then a permit has been issued. One (1) extension of time of not more than 90 days may be allowed by the building official for the application provided the extension is requested in writing and justifiable cause is demonstrated. WNCA permit applications may be withdrawn by the WNCA Ordinance Administrator if timely responses to requested additional information are not received, subject to Section 54-654(5)(b) of the WNCA Ordinance.

REFUNDS: Refunds of fees shall be based on Sarasota County Fee Resolution No. 2007-229, Exhibit A, Section 6.K.
