

## Yard Waste Disposal

### Operating Hours:

Monday-Friday

8 a.m.-5 p.m.

Saturday

8 a.m.-2 p.m.

All customers unloading by hand must arrive at least 30 minutes prior to close or will be asked to return on the following business day.

### Helpful Tips:

- Both residents and business may bring yard waste to the landfill for disposal.
- Place yard waste in reusable containers. Plastic and paper bags require additional handling to remove contents prior to processing.
- Adequate storage containers may be purchased at various stores and garden centers.
- Containers should not be filled beyond 40 lbs. in weight.
- Remove all fruit from tree branches and dispose of the fruit in the garbage.
- Residents are encouraged to compost and use mulching mowers.

Standard landfill disposal rates apply.
