

Business Directory

Updated April 2018

This directory is designed to help businesses select companies that provide services in the proper disposal/recycling of regulated or hazardous waste. Sarasota County does not endorse any company, and a company's absence from this list does not imply prejudice or impropriety. We recommend that you contact several companies for service and price quotations to determine which best meet your needs.

Amalgam

Amalgaway Disposal Service	800-267-1467
