

Used Motor Oil, Oil Filters and Tire Disposal

General Information:

Sarasota County residents may place used motor oil and used oil filters at the curb for pickup during regular weekly collection services by following the procedures outlined below in the Helpful Tips section or they may bring them to one of the three Chemical Collection Centers for disposal.

Automotive tires may also be placed curbside for collection following the procedures outlined below in the Helpful Tips section or they may be disposed of at the Central County Solid Waste Disposal Complex.

Operating Hours:

Bee Ridge Chemical Collection Center

Citizen's Convenience Center and Central County Solid Waste Disposal Complex

Jackson Road Chemical Collection Center

8750 Bee Ridge Road
Monday-Saturday
8 a.m. – 4 p.m.

4000 Knight's Trail Road
Monday-Friday
8 a.m.-5 p.m.
Saturday
8 a.m.-2 p.m.

250 S. Jackson Road
Wednesday-Saturday
8 a.m.-4 p.m.

Helpful Tips:

- Used Motor Oil
 - Place in see-through plastic beverage containers (one gallon or less in size) with a screw top cap.
 - Mark all containers with the words "used oil."
 - Empty oil containers may be placed in the garbage.
 - Place used oil next to garbage containers on your regular pick-up day.
 - Limit five gallons per week.
- Used Oil Filters
 - Place in a sealed, clear plastic bag.
 - Place oil filters next to garbage containers on your regular pick-up day.
 - Limit five oil filters per week.
- Used Tires
 - Must be 25" or less in diameter.
 - May be on or off the rim.
 - Limit four automotive tires per week.
 - Tires may be disposed of at the Central County Solid Waste Disposal Complex (charges apply).
 - Tires are kept separate from the garbage during collection. If your tires are not collected by 8:00 p.m. on your collection day, please contact Waste Management at 941-493-4100 on the following business day to report it as a missed collection.
