

# LEGACY TRAIL EXTENSION

## Terms and Definitions

- **Bicycle repair station**  
Strategically placed amenity for basic bike repairs and maintenance.
- **Bridge**  
A structural element that allows trail users to cross waterbodies or other obstacles.
- **Connector**  
Routes integrated into the overall trail to provide a direct connection to additional areas of the community.
- **Corridor**  
The linear area that encompasses the railroad right of way, including the tracks and specified tract of land on either side of the tracks.
- **Crossing**  
A designated place for trail users to cross roads.
- **Kiosk**  
A small structure, typically at common areas, used for providing information.
- **Linear park**  
A park in an urban or suburban setting that is substantially longer than it is wide.
- **Mileage markers**  
A series of numbered markers placed along the trail to assist with wayfinding.
- **Overpass**  
A pedestrian crossing over a roadway.
- **Pedestrian hybrid beacon**  
A traffic control device designed to help pedestrians safely cross busy or higher-speed roadways at midblock crossings and uncontrolled intersections. The beacon head consists of two red lenses above a single yellow lens.
- **Pocket park**  
A small park accessible to the general public that is frequently created on a single vacant building lot or on small, irregular pieces of land.
- **Rest area**  
A place along the trail where one can stop to take a break from traveling.
- **Segment**  
Sections, or portions, of the trail typically bounded on either end by roadways.
- **Shelter**  
A small structure that provides trail users with a space to rest and get out of the sun or inclement weather.
- **Spur**  
A trail that leads from primary, secondary or spine trails to points of user interests.
- **Stop station**  
Strategically placed approximately every mile along the trail that typically include a shelter, benches and trash/recycle receptacle.
- **Trailhead**  
An outdoor space that serves as an access point to the trail with parking and typically a small restroom facility.
