

Sarasota County Library System ~ Donation Form

Your gift makes it possible to continue to provide outstanding library service. Thank you!

The mission of the Sarasota County Library System is to offer equal access to information, foster lifelong learning and inspire community engagement.

Because of your generosity, the 51,900 children and adults who use the libraries each week will find the information they need, participate in learning opportunities and engage in their community.

Unless otherwise specified, your gifts will be added to the Sarasota County Library System ***Make A Difference Fund*** which supports services at each of the ten public libraries.

For more information call (941) 861-5468 or (941) 861-5481.
