We invite you to join us as a workshop sponsor

- Platinum/Lunch Sponsor: $2,000
- Gold/Breakfast Sponsor: $1,500

Why you should participate and sponsor
When you sponsor the Sustainable Communities Workshop, you provide vital support for conference organization efforts and help facilitate the goal of a sustainable community. The 2019 Sustainable Communities Workshop theme will be announced soon. Your workshop sponsorship provides a once-a-year opportunity to meet sustainability leaders and communicate with potential clients. Please join us to have your commitment to community sustainability recognized. Sponsors will be located in the main conference room, in an ideal position to offer information and services to residents, businesses, organizations, and government agency workshop attendees.

Our 2018 workshop was a great success with record attendance of more than 190 people. Please visit the workshop website: www.scgov.net/SustainableCommunities for more information. Sponsorships available include the keynote speaker, workshop breakfast and lunch. In-kind media sponsorships are also welcome and will be acknowledged. For more information, please contact Sara Kane, Sarasota County Extension sustainability program coordinator, at 941-861-5000 or email sustainablesarasota@scgov.net.
