HOW TO RIDE SCAT
Planning your trip around Sarasota County
To plan your trip, identify which route travels closest to your starting point and in the desired direction to the closest stop near your destination. You may need to use multiple buses to reach your desired location. Individual route maps and schedules can be found at scgov.net/scat.

Bus stops
Check the bus stop sign for your desired route number. When the bus approaches, check the route number indicated on the front of the bus. (Please note that SCAT Plus buses may look similar to the fixed route buses.)

When the bus approaches, wave so the bus operator will see you. When it is dark outside, you may use a flashlight or cellphone to alert the operator. Prior to boarding, you may ask the operator to confirm your destination.

Boarding the bus
All buses are equipped with wheelchair lifts or ramps, and many buses can lower to the curb to ease boarding; tell the bus operator if you need to use either feature. The seats closest to the front of the bus are preferred seating for seniors and persons with disability; please give up your seat in this area if requested.

Board the bus through the front door with your fare card or cash ready. (The fare boxes provide change in the form of change cards, not cash. The change cards can be used for future boarding on a SCAT bus.)

Paying your fare
Deposit cash in the proper fare box slots. To use a bus pass for the first time, insert it into the slot on the top left of the box to activate and ride. To use an activated bus pass, swipe the card through the slot on the top right of the fare box, with the stripe toward you.

Rules of conduct
For the safety and comfort of all passengers, please observe the following rules while riding a SCAT bus:

• Shirts and shoes are required.
• No smoking, including electronic cigarettes.
• No loud talking or profanity.
• No weapons.
• No use of personal electronics without headphones.
• No flammable or explosive material.
• No open containers of food or drink.
• No alcohol.
• All items must fit in your lap or under the seat.

SCAT HOLIDAY BUS SCHEDULE
