

2017 EXHIBITOR APPLICATION

Thursday, November 30, 2017
8 a.m. - 4:30 p.m.

Girl Scouts of Gulfcoast Florida Event and Conference Center ~ 4740 Cattlemen Road - Sarasota, FL 34233

The 2017 Sustainable Communities Workshop Organizing Partners invite you to join us to offer your products, services, and programs at this year's workshop. If your organization is helping to build the sustainable, healthy, clean energy, resilient, and resource conserving marketplace, exhibiting at the Sustainable Communities Workshop is a vehicle for promoting your products, services, programs and technologies. It provides a once-a-year opportunity to meet sustainability leaders and potential clients looking for ideas and solutions. This year's theme is "Building a Better Future, Together". Join us for a unique opportunity to target an audience that includes the region's homeowners, developers, builders, land planners, architects, engineers, state and local governments. Showcase your sustainable solutions for water, energy, and infrastructure demands, renewable and alternative energy, resource conservation, electric vehicles, recycling, reuse, clean tech, green business, ecotourism, local food, health improvements and development and housing choices. Approved exhibitors may offer coupons, enlist volunteer support, and/or offer products for sale at your table during the workshop (locally sourced or produced products are encouraged).

Exhibitors will be provided a booth space with one 8-foot table, two chairs and two complimentary registrations. We ask that each display or exhibit be staffed by someone from your organization at all times. If you need additional chairs and/or tables, have special needs, or wish to be located outside, please notify Sara Kane, phone 941-861-5000, or email sustainablesarasota@scgov.net

- Set-up is between noon to 5 p.m. Nov. 29, or 7-8 a.m., Nov. 30.
- Breakdown will take place only after the closing remarks on Nov. 30.
- Check in at the entrance.

Exhibitor space is available for a fee of \$75 upon approval, and includes two complimentary registrations. Additional staff beyond two must register to attend. Spaces are limited and will be assigned to the first applicants who have been approved and paid. Please submit your exhibitor application form for review and approval no later than Oct. 30, 2017. You will be notified upon approval and then asked to pay online through Eventbrite [click here](#) OR mail a **check made payable to Transition Sarasota (with 2017 Sustainable Communities in the subject line)**. Exhibitors will be listed on workshop web site if application is approved and paid by Oct. 30, 2017.

Send, email, or fax your exhibitor registration form (and check if not [paying online](#)) to:
