This alphabetical list is provided for informational purposes only. This list consists of individuals who have met the minimum licensing requirements to perform Professional Mangrove Trimmer exempt and permitted mangrove trimming activities in Sarasota County, as provided in the Mangrove Trimming and Preservation Ordinance, Article XXXV of the Sarasota County Code of Ordinances. We recommend that prospective customers contact several companies on this list to acquire information about service quality, guarantees, costs, and availability.

Note: Sarasota County does not endorse any company listed above. Should an individual with appropriate prerequisite qualifications wish to register as a Professional Mangrove Trimmer, please contact Environmental Protection staff at 941-861-5000 to discuss training and examination requirements.
