

# Midnight Pass Road Pedestrian Bridge CIP #95704

Last updated: June 2026

## PROJECT SCHEDULE

**Design Start**  
November 2024

**Design Finish**  
March 2026

**Construction Start**  
May 2027

**Construction Completion**  
December 2027

## PROJECT DETAILS

**Design Consultant**  
Stantec Consulting Services, Inc.

**Design Contract Cost**  
\$237,000.00

**Contractor**  
TBD

**Construction Contract Cost**  
TBD

## COUNTY PROJECT MANAGER(S)

**Design**

vsancheti@scgov.net

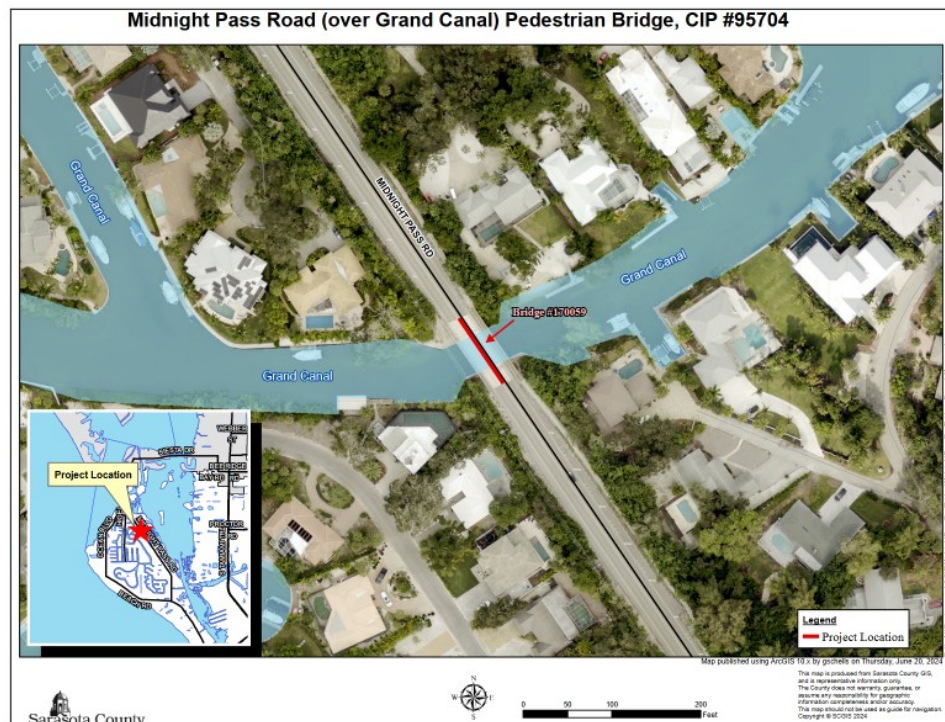

**Construction**

## Project Description

Replace existing timber boardwalk overhang with prefabricated galvanized steel truss pedestrian bridge that will be constructed adjacent to Bridge No. 170059 which has been transferred from the Florida Department of Transportation (FDOT) to Sarasota County Public Works. The Bridge No. 170059 carries CR-758 (Midnight Pass Road) over Grand Canal in Siesta Key, FL, within the limits of Sarasota County. Currently, there is an existing cantilevered timber boardwalk (Boardwalk) structure attached to the east overhang.

## Project Progress/Status

The design is complete. A meeting was held to provide an update to Siesta Key Association on design and construction of the pedestrian bridge. The solicitation is being finalized for advertising for construction bidding in summer 2026. The design and fabrication of pre-engineered galvanized steel truss is expected to begin in January 2027 and be completed in April 2027. The construction is expected to begin in May 2027 and be completed in by end of 2027.

**COMMON CENTS**  
Your penny at Work.

This project was made possible  
by the one-cent sales tax.
