Project Description

Engineering and construction services for the resurfacing of Central Sarasota Parkway and other North County roads. The project includes milling and paving of existing roadways, pavement striping, signage, Americans with Disabilities (ADA) compliant modifications and base repairs.

Project Progress/Status

Concrete and ADA Enhancements have been completed throughout the project. Milling and Resurfacing has been substantially complete throughout the project with punch list items remaining. Striping crews are working during the night hours throughout the project. Notices have been provided to residents prior to construction. Please use caution around construction areas.
